## Suppliers – Cautionary Note.

We are aware that a number of attempts have been made to persuade European based suppliers to deliver goods on credit purportedly on our behalf.

Please note that we have no employee or Managing Director named John Milton and all our purchasing is conducted on our standard terms on orders placed from our UK trading divisions.

If you are in any doubt as to the authenticity of any purchase request, please confirm with your normal divisional contact.

If you have supplied goods against requests from John Milton purportedly on our behalf then please contact [internalaudit@barrattpc.co.uk](mailto:internalaudit@barrattpc.co.uk)
